Cancer Research UK can now collect an extra 28p to every £1 you donate, at no extra cost to you, through the Gift Aid scheme. All you need to do is tick the consent box and ensure that we can read your full name, home address and postcode so that we can confirm the Gift Aid claim.

When you sponsor someone to take part on an International Trek who is related to you, it is possible that you may not be able to take advantage of Gift Aid. This is only the case if you are a "connected" person. A "connected person" is a wife or husband, a relative (brother, sister, ancestor (e.g. mother) or lineal descendant (e.g. grandson), the wife or husband of a relative of the person taking part.
